EXPERIENCE

Product Designer, November 2015 - Present
Automattic, San Francisco, CA 94107 877.273.3049

Contributed design work for the open source project, WordPress and WordPress Foundation. This included typographical scales, UX flows, etc. for the redesign of WordPress.org, annual reports, and the Core software. Analyzed quantitative and qualitative data to inform design decisions, and communicated data with others. Innovated with the WordPress API to inspire new ideas. Collaborated with teams to research customer needs, and developed strategic plans to accomplish goals.

Front-end Developer, December 2014 - November 2015
NationBuilder, Los Angeles, CA 90013

Sr. Manager of Design & Front-end Development, July 2013 - October 2014
CashCall, Inc., Orange, CA 92868 949.225.4699

Mobile & Web Design Manager, August 2008 - July 2013
Herbalife (part of iChange acquisition Dec. 2012), Torrance, CA 90502
310.410.9600

Creative Director, March 2005 - May 2008
New Motion, Inc., Irvine, CA 92606

STRENGTHS

According to the Gallup Strength Center, my top 5 strengths in order are:

Context Understanding the present by researching the past.
