EXPERIENCE

Creative Technologist, November 2015 – Present

Design Lead for Phase 2 of the new block editor (Gutenberg) in the open source project, WordPress. Lead a team of 4 designers that focused on open source design within the community. Analyzed qualitative and quantitative data to help inform design decisions. Innovated with the WordPress API and new technology to inspire creative solutions. Collaborated with others to research customer needs and develop strategic plans to accomplish goals. Communicated with other open source communities to build partnerships through code and conferences.

Front-end Developer, December 2014 – November 2015
NationBuilder, Los Angeles, CA 90013

Sr. Manager of Design & Front-end Development, July 2013 – October 2014
CashCall, Inc. Orange, CA 92868 949.225.4699

Mobile & Web Design Manager, August 2008 – July 2013
Herbalife (part of iChange acquisition 2011), Torrance, CA 90502
310.410.9600

Creative Director, March 2005 – May 2008
New Motion, Inc. Irvine, CA 92606

STRENGTHS
